Acting Executive

Training Division Table of Organization

Reference: Memo to Acting Executive from Management Officer, subject as above, dated 29 Sept. 1950

1. The recommendations contained in reference involving an increase of 26 positions for the Training Division are approved subject to budget limitations indicated below.

2. Procurement of individuals to fill these added positions will be limited to those which can be absorbed within the regular fiscal year 1951 budget allocations to the Office of Special Operations and Policy Coordination pending final action on the Agency fiscal year 1951 request for a deficiency appropriation now being considered in the Bureau of the Budget.

3. The revised table of organization, when presented for signature, will include a statement of the above limitation on procurement.
